

TRAINING SOLUTIONS

LOCAL SERVICE | INTERNATIONAL EXPERIENCE

Australian Frontline Solutions (AFS) is a Sydney based consultancy with national coverage offering complete solutions in Safety, Compliance and Training since 1989.

Nationally accredited and tailored training courses to help you get qualified and stay compliant.

Select any course from our extensive range and have it delivered to your team on-site. Training is tailored to your organisation and lets your people study in the setting where they'll use their skills. It also saves you the cost and disruption of sending your people away to train.

FIRST AID

HLTAID001	Provide Cardiopulmonary Resuscitation
HLTAID003	Provide First Aid
HLTAID004	Provide Emergency First Aid Response in an Education and Care Setting

INCIDENT & EMERGENCY

PUAWER001B	Identify, Prevent & Report Potential Workplace Emergency Situations
PUAWER004B	Respond to Workplace Emergencies (Fire Evacuation)
PUAWER008B	Confine Small Workplace Emergencies (Fire Extinguisher use)

Australian Frontline Solutions delivers nationally recognized training in partnership, and under the auspices of Allens Training Pty Ltd RTO 90909, and Tactical Training Group RTO 91054.

AFS conducts Work Health and Safety Assessments to identify potential hazards that may be a risk to health and safety in your workplace and is a key requirement for managing risk. AFS provides comprehensive reports including photos and recommendations to ensure your business complies with WHS regulations.

AFS also supplies First Aid and WH&S materials including first aid kits, safety signage and first aid charts to keep you compliant. AFS provides first responders, traffic controllers, fire wardens and first aid attendants.
