

OAKS RECRUITMENT

Australian Childcare Alliance
New South Wales

Why Oaks Childcare Recruitment?

Oaks Recruitment has partnered with the Australian Childcare Alliance (New South Wales) to provide their members with cost effective recruitment solutions in permanent, temporary and contract roles. Our strategic service focus model allows you to readily access and engage quality talent through meticulous and assessable processes at a fixed low cost.

About Us

Oaks Recruitment is all about caring for and educating children to give them the best start in life - similar to how an acorn grows into an Oak tree, hence our name **Oaks Recruitment**. We have over 20 years' experience in sourcing quality talent across Australia, New Zealand and Asia.

We know our clients expect a high-quality service when engaging an external recruitment agency and we are at the forefront of client services along with providing cost effective recruitment solutions.

We provide leading early childhood and care sector services across all roles include:

- **Day care - both long and short**
- **School hours care - before and after**
- **Family day care**
- **Preschool**
- **Kindergarten**
- **Occasional care**
- **Au Pairs**
- **Nannies**

Our consultants are specialists in their own rights who focus on the childcare industry sector. We understand what makes our clients succeed and focus highly on their culture to get the right mix of talent for them.

We design unique tailored and innovative sourcing solutions for you, and this allows us to succeed where others have failed.

People are the most important asset to your organisation and finding the right talent with the right skill set and attitude is becoming more difficult.

A "one fit approach" does not suit all recruitment requirements and with over 500 candidates on our database, our recruitment solutions can assist you in finding the right talent from entry level through to senior level.
