## CERTIFICATION OF SERVICE

This is to certify that on the 01/08/2020 the following Bio Cleaning Services were complete at:

**Company Name:** Machiavelli Restaurant

**Company Address:** 123 Clarence St, Sydney NSW 2000

### Serviced Areas:

- Entry & Foyer
- Dining area
- Bar
- Bathrooms
- Common areas

### Services Completed

- **Action 1- Fogging:** Gen 2 conducted misting/fogging using TGA Certified, hospital-grade disinfectant (Viraclean). Viraclean has been clinically proven in Australia to kill Corona Virus.
- **Action 2 – 2 Step Infectious Disease Cleaning:** As per **Module 4 of the Clinical Excellence Commission** and the **Department of Health (DOH)** guidelines all serviced areas have been cleaned as per 4.2 *Terminal Cleaning of a room/area of a patient with a known infection / disease using a hospital grade TGA certified disinfectant (Viraclean).*
- **Action 3 –Germ Shield:** All touch points have been manually sanitised using microbe shield and electrostatic spray and wipe application. **Germ Shield is clinically proven to kill Corona Virus and also provide a protective shield for up to 24 hours and 30 days on low touched areas.**

Continued application of Germ Shield daily is recommended.

**Danny Fildissis**  
Director
