POST COVID-19 BUILDING SERVICES

The information provided for post COVID-19 Building Services in this brochure enables your business continuation during this uncertain time. Eternal Cleaning Services are subject matter experts in the field of preventative infection control cleaning & sanitisation work. We have sourced essential PPE and chemicals to offer our customers.

We understand the importance to ensure the health and safety of your employees and customers during this pandemic situation.

In this brochure we have detailed the services that we can provide to you. Post COVID-19 cleaning & sanitising is carried out using ViraClean by Whiteley Corporation which is Australian made and certified by the TGA and is listed on the ARTG Register for COVID-19.

Pricing is indicative and provision of a quote for the intended works is subject to a site inspection. If you wish to order any of our services, please contact us on 1300 651 849 or info@eternalcleaning.com.au.

Eternal Cleaning Services continuously
delivering high quality cleaning services
to our clients since 1996

Forever clean, pure & simple
