

BIO – KATHLEEN FORRESTER

Kathleen Forrester – July 2020

NSW Department of Education Bio

Kathleen joined the NSW Department of Education as Executive Director in the newly created Early Childhood Policy and Programs role in April 2020.

Kathleen brings to the role extensive experience as a senior executive in the Queensland and Victorian governments, with a track record delivering policy outcomes in complex health and human services portfolios.

Kathleen has also worked in the private sector for Deloitte and The Allen Consulting Group and been a director on a not-for-profit board.

Kathleen studied business and economics at university and began her career as a graduate economist at the Productivity Commission in Canberra.
